WHAT TO EXPECT AND WHAT IS EXPECTED

First and foremost, welcome to the 2023 softball tryouts. The reason for tryouts is simple; we want to start a softball program that promotes learning the fundamentals, and understanding teamwork. While this will lead to a strong foundation of future Pioneers at Alleman High School, tryouts are open to all girls. If you do not make the team and want to play, DON'T get discouraged. KEEP PLAYING!! The Quad Cities offers several youth softball opportunities.

What are we looking for:

#1 ATTITUDE: Our coaching and playing philosophies puts attitude as the key ingredient for having a successful team. We would rather work with a player with a good work ethic and attitude than a person with exceptional skills that demonstrates poor sportsmanship and is not willing to learn.

#2 ABILITY: There are five key areas that you will be rated on They are:

Running, Catching, Throwing, Hitting, and Knowledge of the Game

#3 POTENTIAL: Athletes develop at different rates. Some players demonstrate marginal abilities but have exceptional talent. We will be looking at potential for future school teams. This category, however, will not count as much as attitude and abilities.

PLAYER SELECTION

Players that have been awarded a position on a Quad City Lady A's team will be notified by the Coach/Manager no later than 7 days following your tryout. Teams will be posted on the Quad City A's website no later than August 31st.

PLAYER FEES

Player fees for 7U Coach Pitch is \$135.00 which includes two dri-fit tops and a hat and is due within 10 days of being notified of acceptance to the team. Player fees for those playing on the 8U team is \$210.00. Player fees for those playing on the 9U team is \$390.00. Player fees for those playing on the 10U and 11U teams are \$440.00. Player fees for those playing on the 12U through 14U teams are \$490.00. Uniform fees will be an additional cost of approximately \$200 to include two jersey tops, two pairs of pants and socks. For 8U thru 14U players, \$160 is due within 10 days of being notified of acceptance to the team. The remaining balance is due by November 1st. Player fees are tentative and subject to change. **If your daughter chooses to leave the Quad City Lady A's organization, or is dismissed from the team due to rule violations or disciplinary reasons, these fees are non-refundable.**

In the past, we have had some players tryout for the Quad City Lady A's that decided not to play for the team they were selected for. This causes many issues for the Quad City A's as well as other players and parents that are committed to the Organization. **Therefore the \$160 payment due within 10 days of being accepted to a team is also considered a non-refundable commitment fee. However, this \$160 will go toward the total due for the player.**

PLAYING TIME

Playing time is the most common source of dissatisfaction, disagreement, and problems for any team. It must be clearly understood that players are not guaranteed equal playing time. Playing time will be at the sole discretion of the Coach/Manager. It is critical that each player understands that he has an important role to play, even when playing time is not equal.

MANDATORY PARENT VOLUNTEER SERVICE

The Quad City A's organization relies on a successful tournament each year. For this reason, it is mandatory that each player's family give (4) four hours of volunteer service to the tournament weekend. If you cannot commit to your required four hours a \$100.00 mandatory fee will be due before the tournament weekend. In addition, ALL players are responsible for securing one table of 8 people for trivia night. If you choose not to have a table, a \$150.00 buyout fee is due by trivia night. These organizational fundraisers can be substituted with similar events and the obligations will be of equal time and value.

IF YOU HAVE ANY QUESTIONS PLEASE ASK A REPRESENTATIVE PRESENT AT TRYOUTS.
